

30 Days Have September has been recited MANY different ways! Here are a few. Can you find your favorite?

Thirty days hath September,
April, June, and November.
February has twenty-eight alone;
All the rest have thirty-one,
Excepting Leap-Year, that's the time
When February's days are twenty-nine.

Thirty days has September,
April, June, and November;
All the rest have thirty-one,
Excepting February, fun!
And that has twenty-eight days clear,
And twenty-nine in a Leap Year!

Thirty days hath September,
April, June, and November;
Except the second month alone
Which has but twenty-eight, 'tis fine,
'Til Leap Year makes it twenty-nine.
All the rest have thirty-one.

30 days hath September,
April, June, & November;
All the rest hath 31
Except February,
Which alone has 28
And 1 day more;
When Leap Year comes
One year in four.

Thirty days hath September,
April, June, and November;
All the rest have thirty-one
Except February alone,
Which has twenty-eight 3 years in four,
Till Leap Year gives it just one more.

Thirty days has September,
April, June, and November;
All the rest have 31,
Excepting February which alone has 28,
And one day more
We add to it each year in four.

30 days hath September
April, June, and November;
All the rest have thirty-one
Save February,
Which has 28 in fine
Till Leap Year gives it 29.

Thirty days hath September,
April, June, and November,
All the rest have thirty-one
But Leap Year coming once in four,
February then has one day more.

Thirty days hath September,
April, June, and November;
All the rest have 31,
Though February's underdone
With 28--hold the line!
Leap Day makes it 29.

Thirty days hath September,
April, June, and November;
All the rest have thirty-one
Except for February alone,
Which has twenty-eight each year,
Twenty-nine each Leap Year.

Thirty days hath September,
April, June, and November,
All the rest have thirty-one,
With February's 28 to make it fun.
Leap Year happening once in four,
Gives February one day more.

Thirty days has September,
April, June, and November;
All the rest have thirty-one,
Except that one contrary, February,
Which has twenty-eight
Most of the time,
But in Leap Year twenty-nine.

Thirty days have September,
April, June, and November,
All the rest have thirty-one,
Except February, the only one
Which Leap Years change
Each fourth time
From twenty-eight to twenty-nine.
Century 100s don't always leap,
Each 400 years that leaping we keep.

30 days in November
With April, June, and September;
Of twenty-eight there is one,
All the rest have thirty-one.

Thirty days hath September,
April, June, and November;
All the rest have thirty-one
Except Gramma
And she was riding her bicycle.

Thirty day hath Septober,
April, June, and Montana
All the rest have cold weather
Except in the summer
which ain't very often.

Thirty days has September,
April, June, and November.
All the rest have 31
Except February which has 4 and 24,
'Til Leap Year gives it one day more.

30 days hath September,
April, June, and November;
All the rest have thirty-one
Except February -
That's the weird one.

Thirty days hath September,
April, June, and November;
All the rest have thirty-one
Save February, she alone
Hath eight days and a score
'Til Leap Year gives her one day more.

Thirty days has September,
April, June, and November;
All the rest have thirty-one,
Except February, which has twenty-eight,
In a Leap Year, twenty-nine.

Thirty days hath September,
April, June, and November;
When short February's done,
All the rest have thirty-one.

Thirty Days are in September,
April, June, and also November.
All the rest have thirty-one,
Except for February, which, when done,
Has twenty-eight that we assign
But Leap Year gives it twenty-nine.

Thirty days hath September
April, June, and November;
All the rest have thirty-one
Save February, and it alone
Has twenty-eight we do confine,
Till Leap year gives it twenty-nine.

Fourth, eleventh, ninth, and sixth,
Thirty days to each affix,
Every other thirty-one
Except the second month alone.
